“Ten Top Online Real Estate Services Announced in November 2013 by reviewauthority.com”

The independent authority on consumer goods and services, reviewauthority.com, has publicized the 10 best real estate services in the November 2013 edition of the rankings proclaimed online. Businesses scouting for distinguished real estate services access the rankings at reviewauthority.com. Each real estate company showcased within the rankings has been put through an in-depth examination to uncover how well they perform compared to industry standards and competitors.

The 10 best online real estate firms for November 2013 are:

- 1) Zillow
- 2) Redfin
- 3) RE/MAX
- 4) Century 21 Real Estate LLC
- 5) REALTOR.com
- 6) **RealtyBid.com**
- 7) Coldwell Banker
- 8) Homes.com
- 9) Trulia, Inc.
- 10) MLS.com

While many online real estate consultants are considered for the methodical evaluation process each month, only the best consultants are highlighted in the rankings. The rankings are revised each month in order to account for the latest developments and achievements of competing online real estate consultants in areas most commonly associated with successful online real estate services. The five areas of evaluation used to determine the best consultants include customer service, filtering systems, ease of use, availability, and information.
